ABOUT THE CAR

READY.
EVERYDAY.

ABOUT THE CAR

The all-new EADO

Is engineered for reliability, comfort, and efficiency, wherever the road takes you.

IDENTITY AND INNOVATION SPIRIT

E-Moda

Combines lasting reliability, refined comfort, and smart efficiency. Everything you need for a confident drive every day.

VEHICLE CONCEPT OVERVIEW

EADO

Brings bold design, smart technology, and smooth performance into one modern sedan built for everyday confidence.

EXTERIOR DESIGN

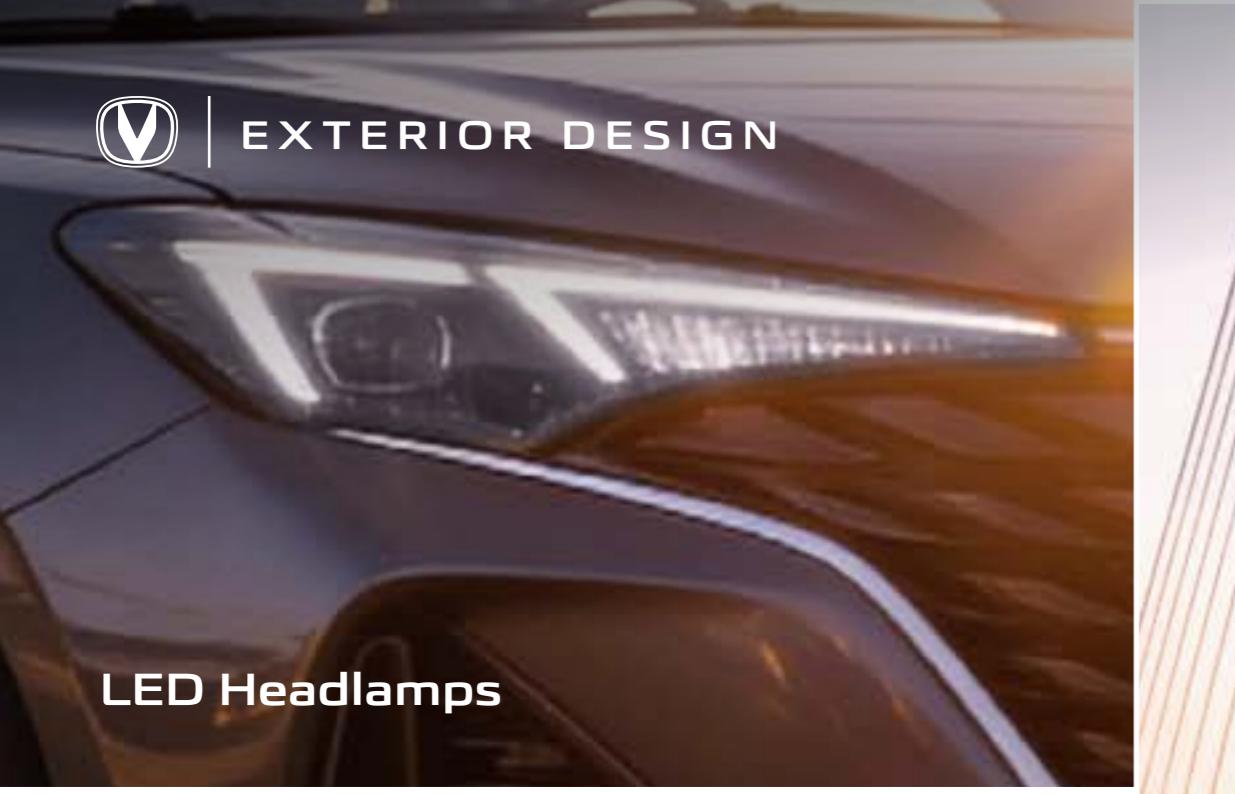

**Bold.
Reliable.
Confident.**

EXTERIOR DESIGN

LED Headlamps

EADO

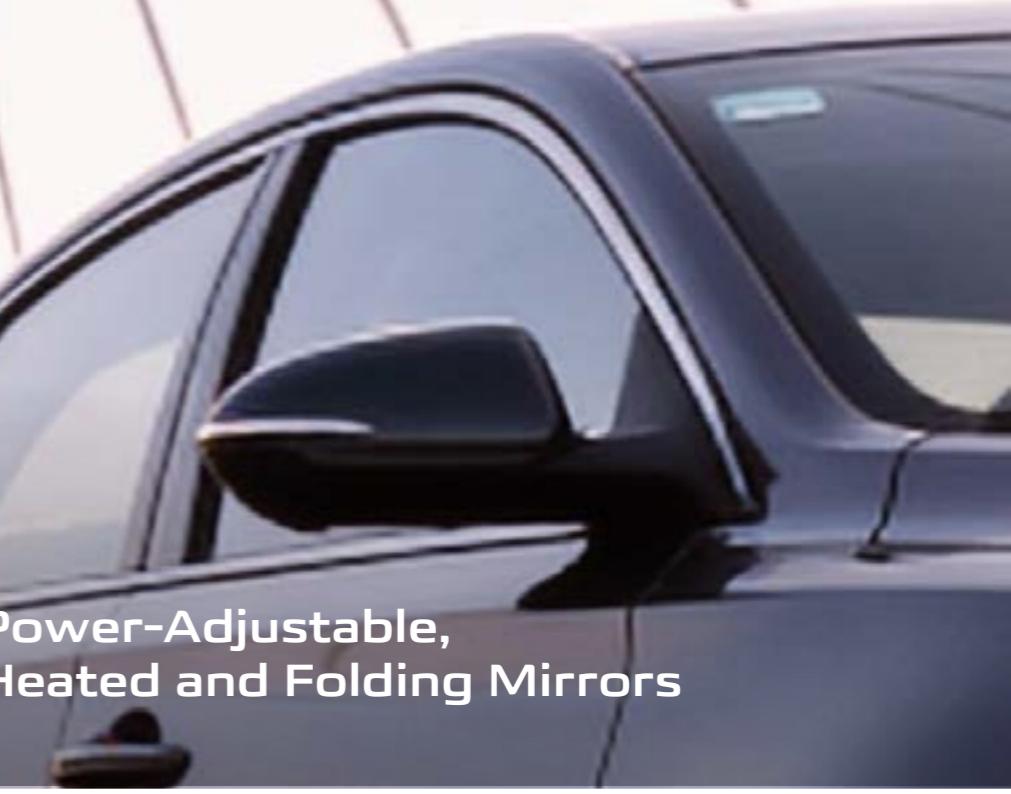

Rear LED Lamps

EADO

Makes a strong first impression with its front grille and lighting signature. Clean, modern lines create a confident presence from every angle.

Power-Adjustable,
Heated and Folding Mirrors

17 inch Alloy Wheels
(R17 215/50)

INTERIOR DESIGN

**Built for comfort.
Designed for control.**

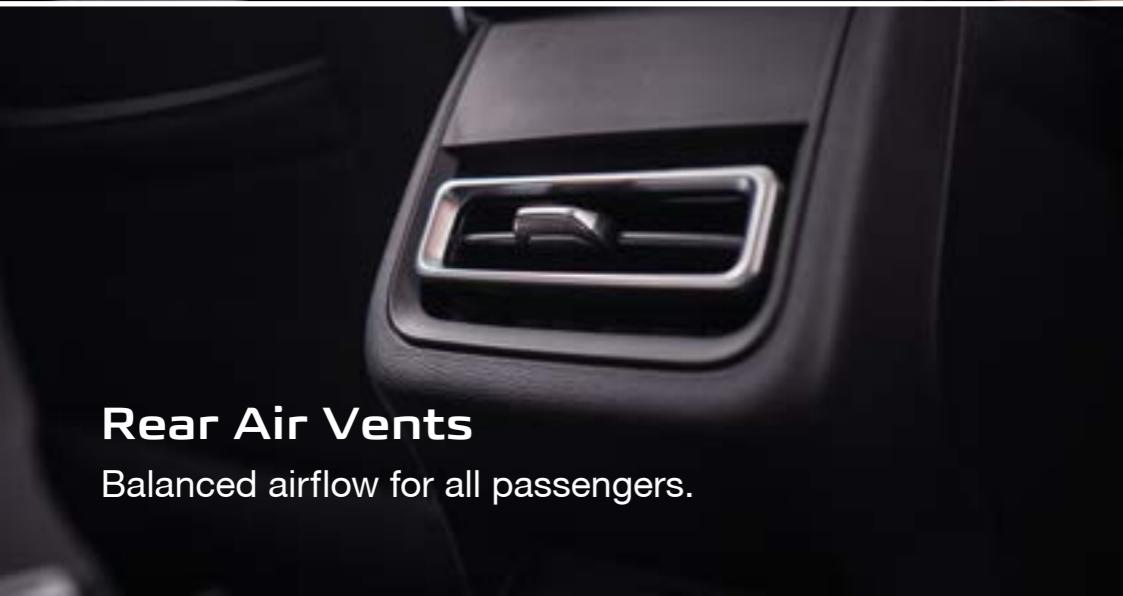

INTERIOR DESIGN

Inside EADO

The cabin is clean, modern, and easy to live with. Every detail is placed with purpose, creating a Modern space that supports every drive.

Rear Air Vents

Balanced airflow for all passengers.

Power Driver Seat

Adjust your position quickly and comfortably.

10.25 inch Digital Cluster

Key driving data, clear and easy to read.

Shift-by-Wire (SBW)

Smooth shifting with a cleaner centre console.

Leather Seats

Modern feel, comfortable, and easy to maintain.

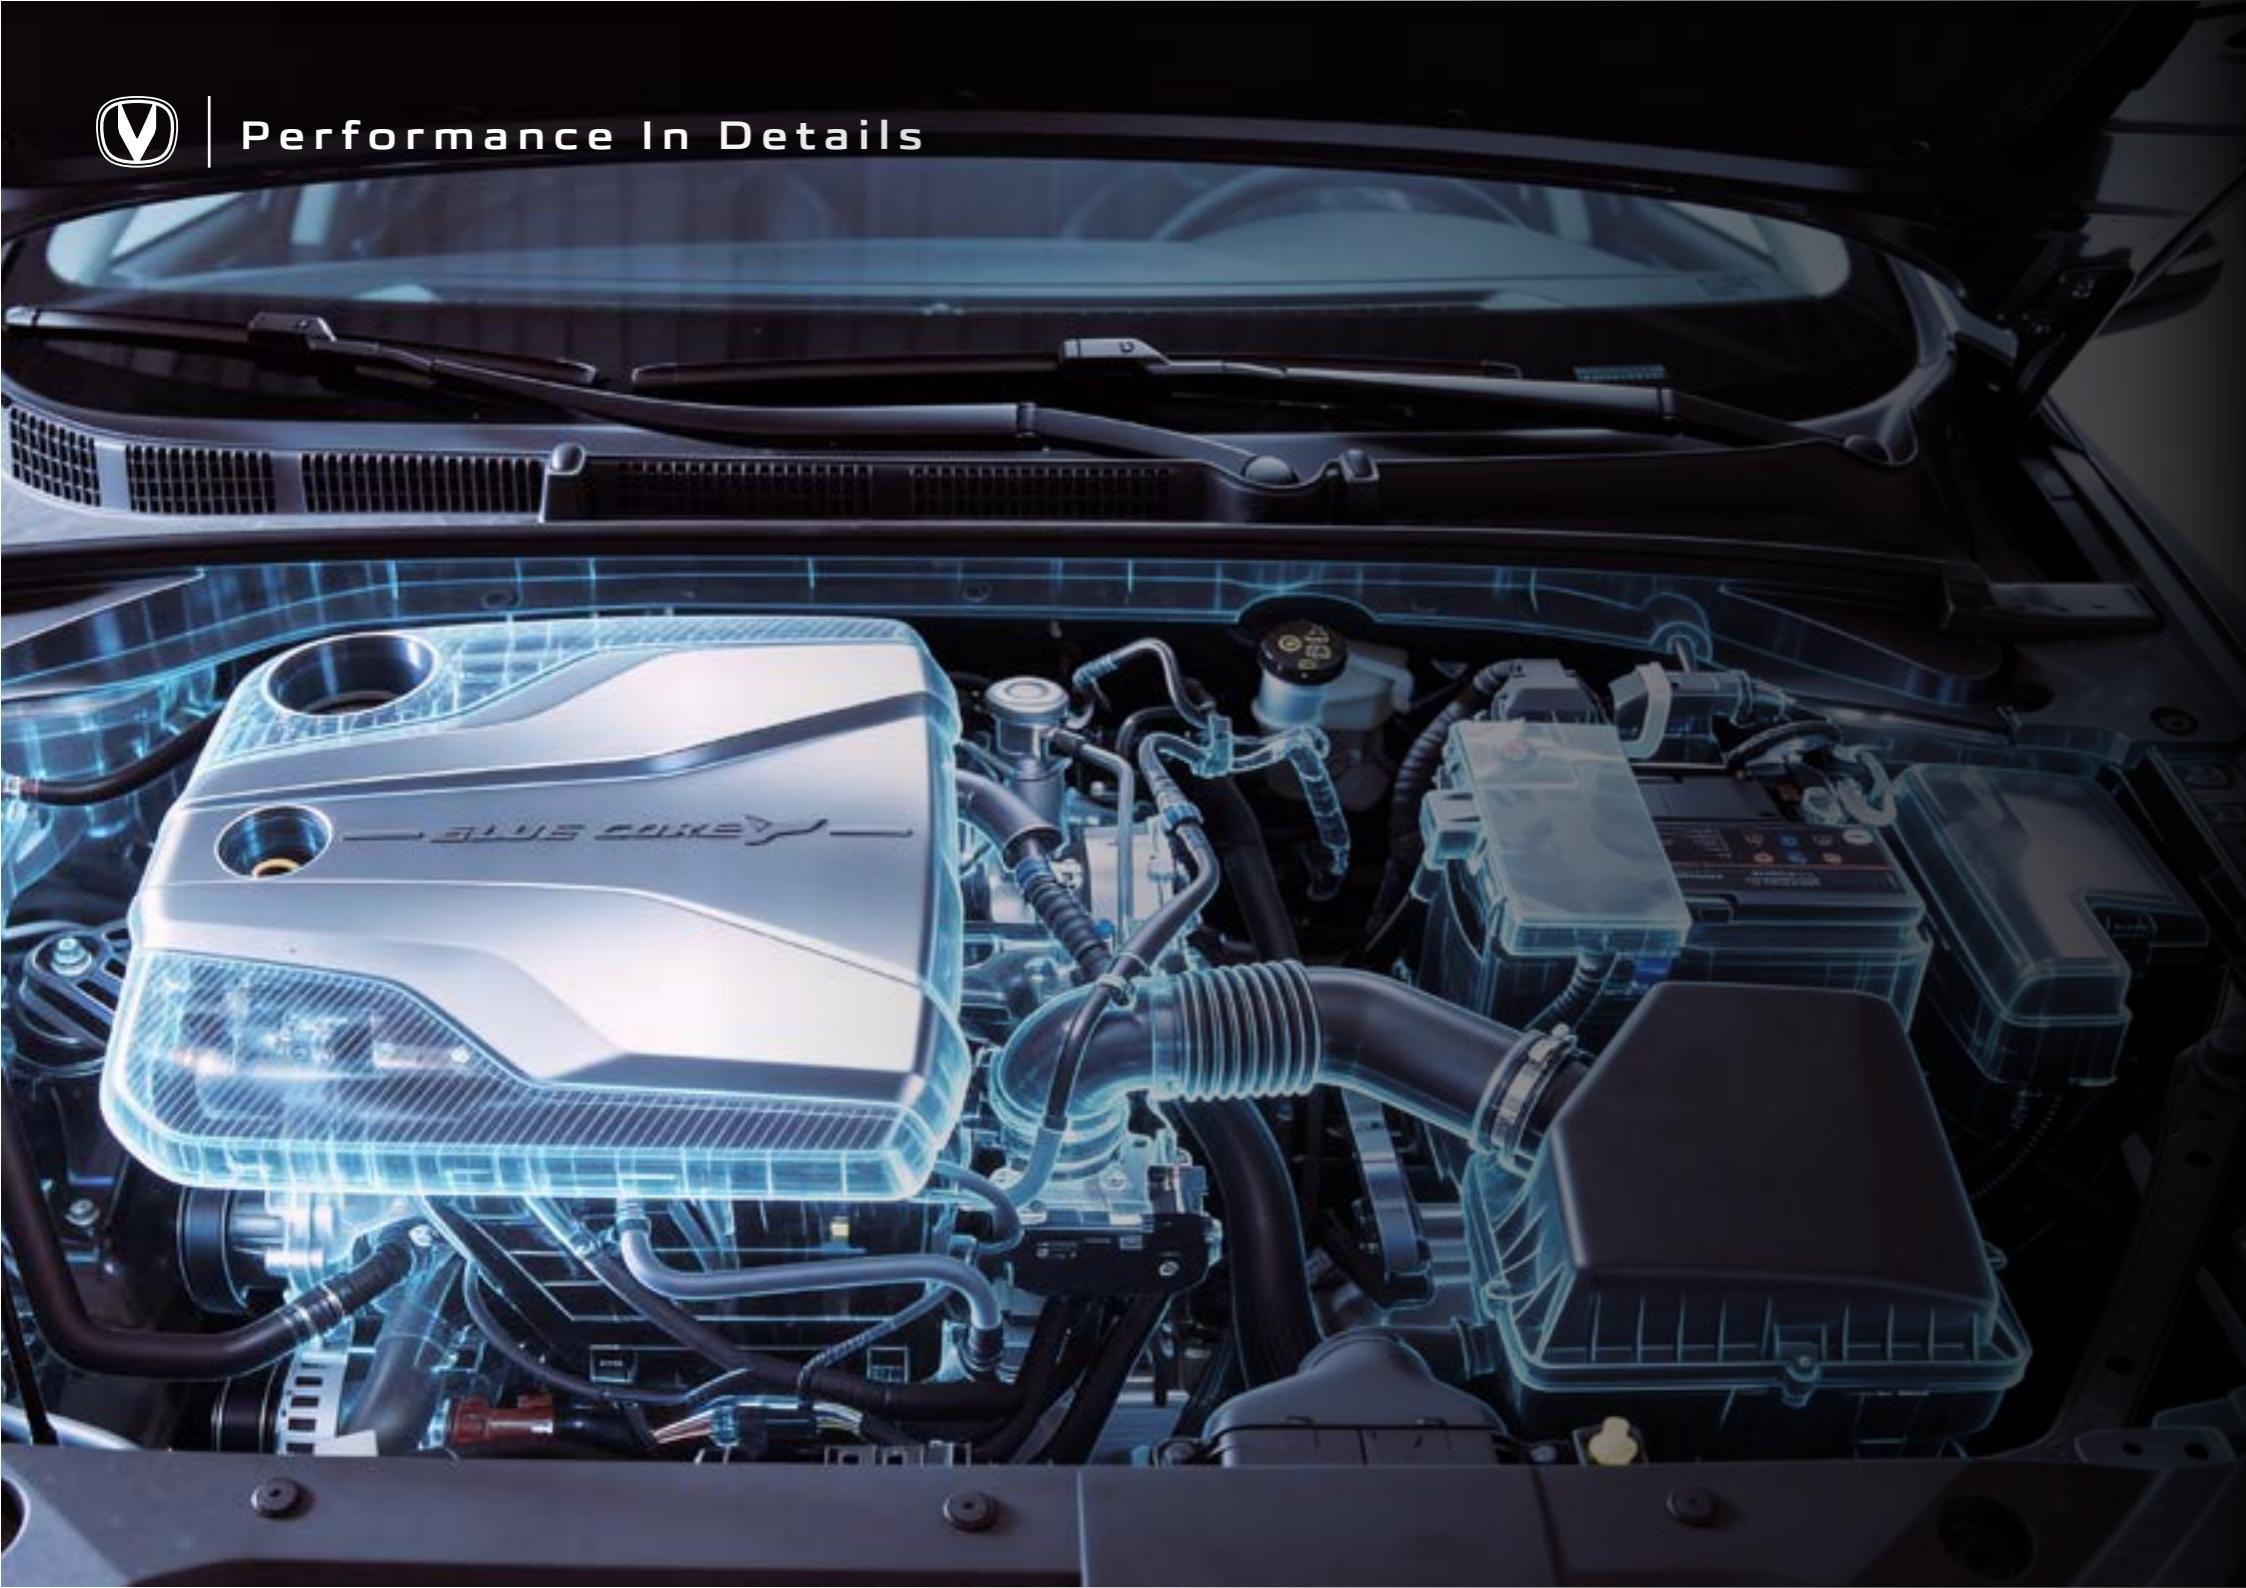

Performance In Details

**Smooth.
Reliable.
Balanced.**

Performance In Details

EADO

is tuned for daily driving, delivering steady power, responsive acceleration, and efficient performance.

1.5L Engine

109 hp for smooth, confident response.

152 nm Torque for balanced pulling power and controlled driving.

Suspensions

Front Suspension McPherson /
Rear Suspension Torsion Beam.

7 DCT- Wet

Quick shifts, smooth driving, and improved efficiency

Safety

EADO

EADO's safety systems work together to support control, stability, and protection.

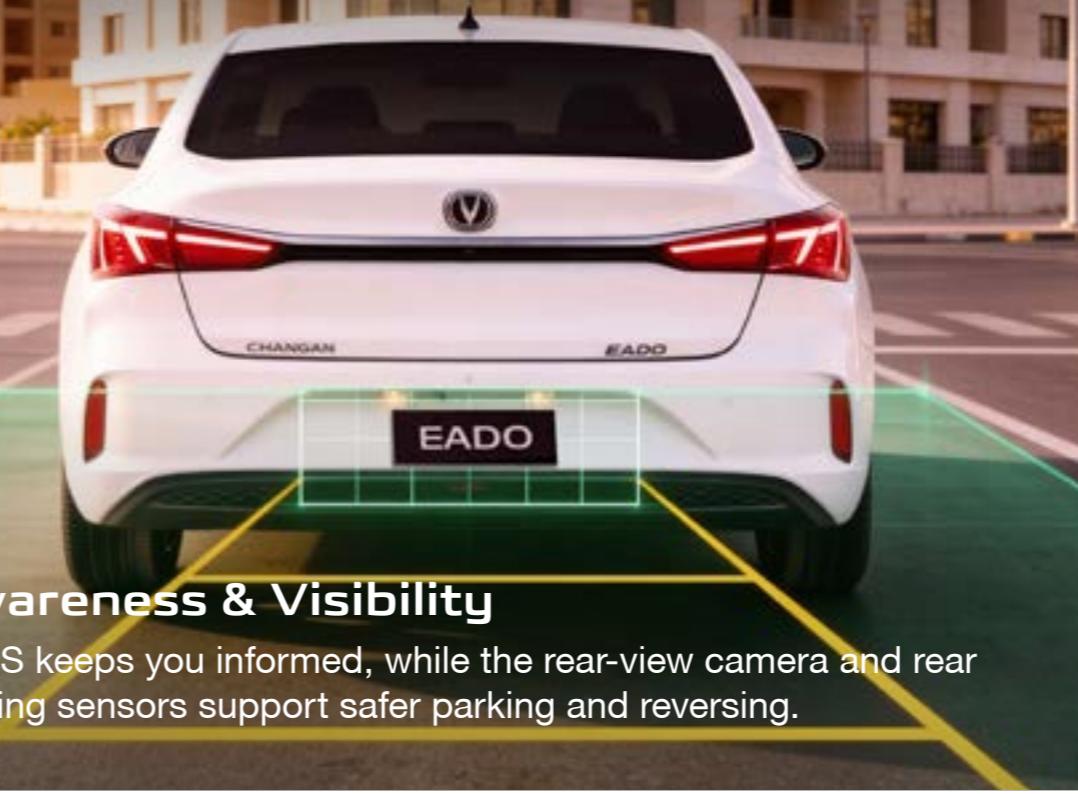

Passenger Protection

Multiple airbags add reassurance in the event of impact.

Rear View Camera

A clear view at every angle, helping you navigate with ease and assurance.

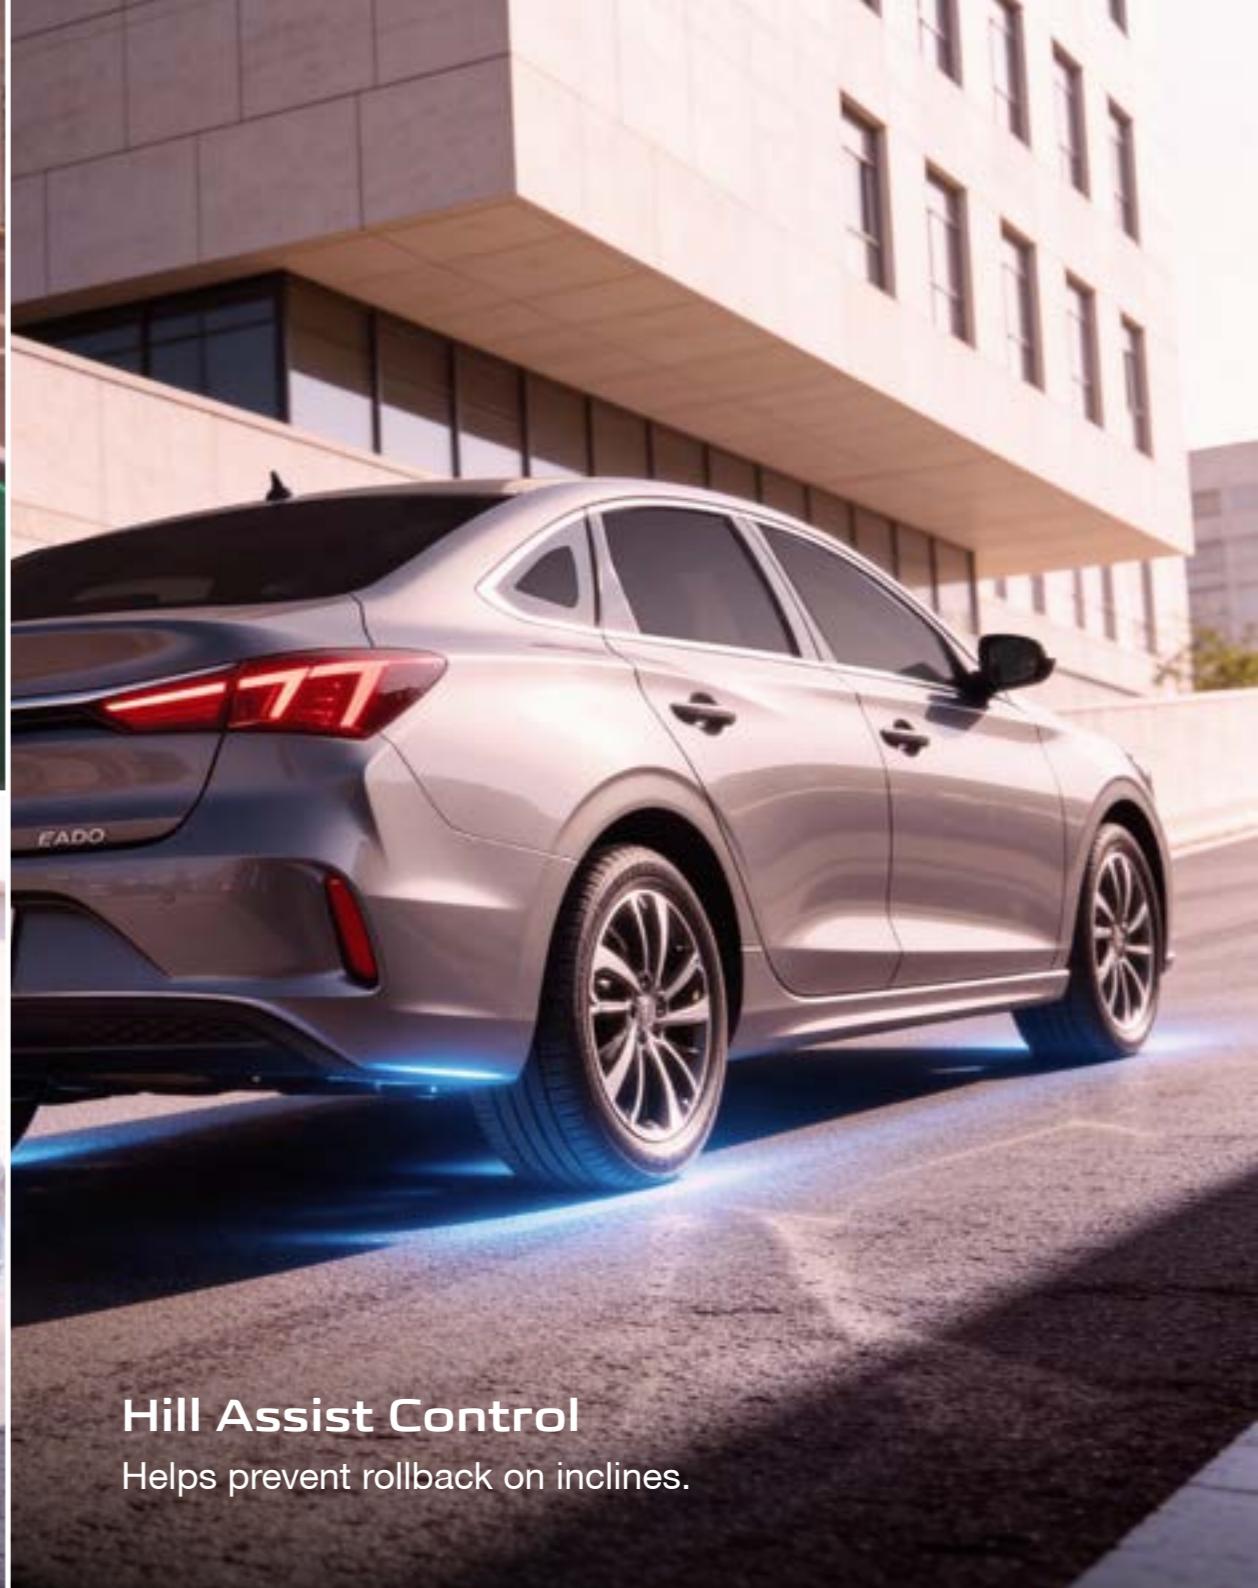

Awareness & Visibility

TPMS keeps you informed, while the rear-view camera and rear parking sensors support safer parking and reversing.

Secure Stops

Electronic Parking Brake with Auto Hold keeps the vehicle secure and stable when stationary.

Hill Assist Control

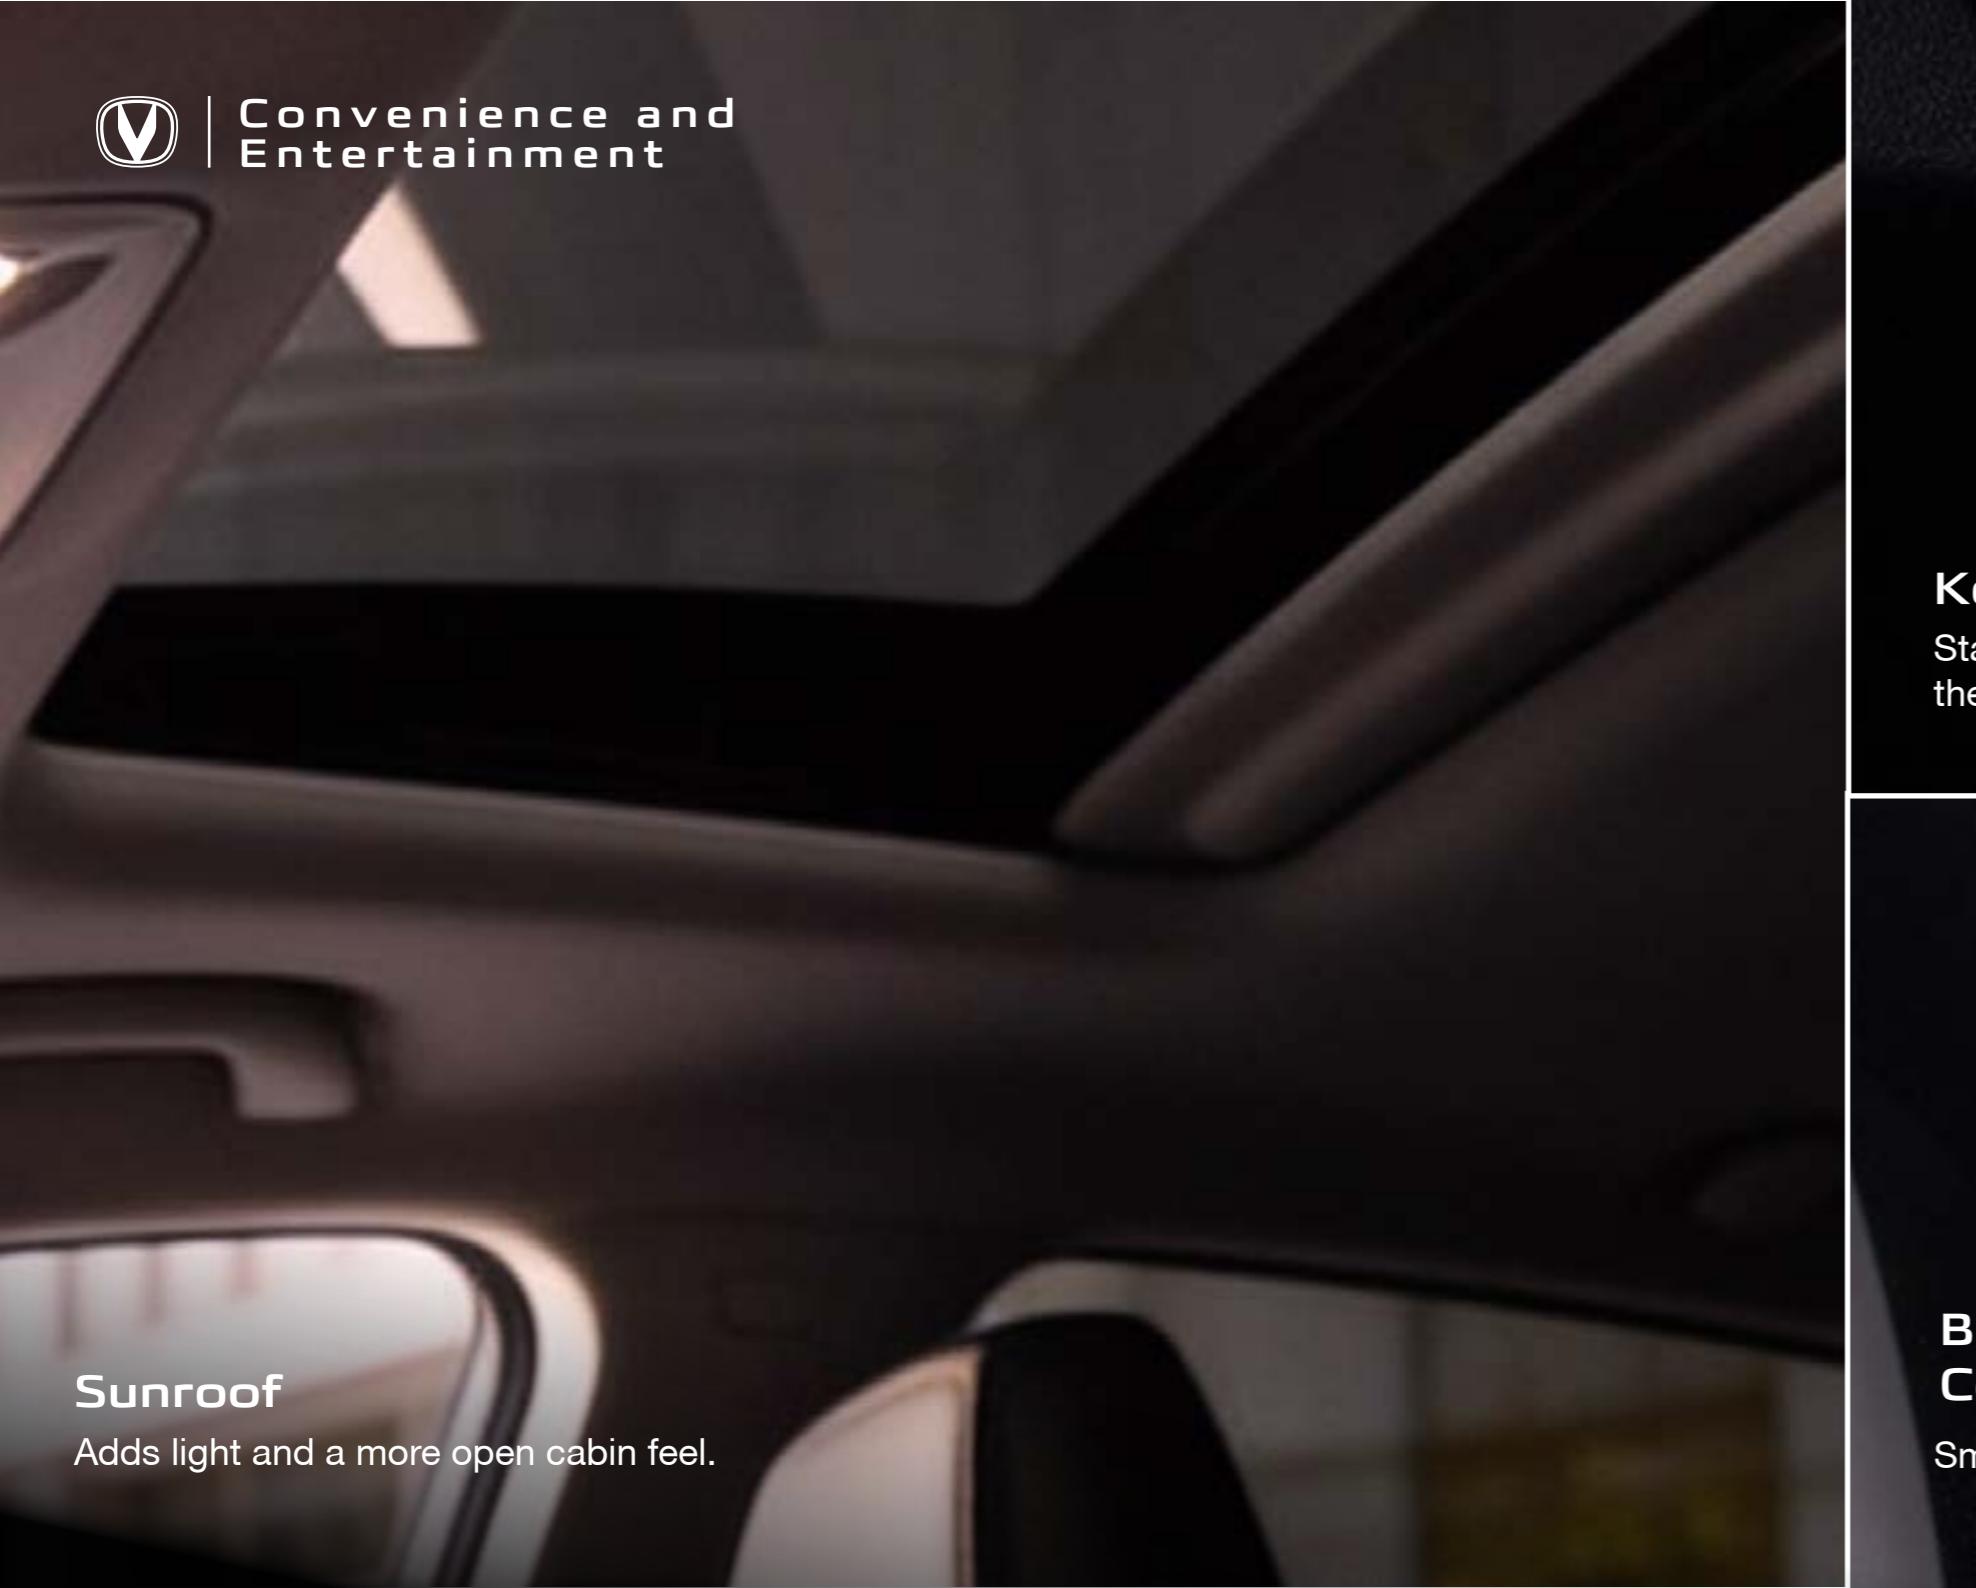

Helps prevent rollback on inclines.

Convenience and
Entertainment

Smart features.
Easy control.
Everyday comfort.

 Convenience and Entertainment

Sunroof

Adds light and a more open cabin feel.

Keyless Start

Start the engine with the push of a button.

Bluetooth® Connectivity
Connectivity Connectivity

Smooth shifting with a cleaner centre console.

10 inch Infotainment Screen

Quick access to media and settings, with Apple CarPlay and Android Auto.

Cruise Control

Maintain a steady speed with less effort on longer drives.

VALUES THAT STAND OUT.
