ARE YOU OBSESSED WITH PUSHING LIMITS? SO ARE WE.

WE THRIVE ON DRIVING THE TOUGHEST ROADS, WHERE OTHERS HESITATE TO VENTURE. DISTANCE DOESN'T INTIMIDATE US—IT PROPELS US. CONSTANTLY ADVANCING, WE EMBRACE ONE UNWAVERING TRUTH: IT IS OUR PASSION FOR THE UNKNOWN THAT DRIVES US FORWARD.

DIVE INTO THE ELECTRIFYING ESSENCE OF CUPRA FORMENTOR, WHERE EVERY MILE IS A STATEMENT OF OUR CONSTANT PURSUIT TO REDEFINE THE WAY OF DRIVING.

BEAUTY

Beauty is not merely observed; it's felt. It manifests as elegance amidst the fury of high winds, as boldness in moments of risk, or as grace in persevering with a smile when strength fails. We don't know much about beauty, but we understand it stretches beyond the skin. It resonates in the roar of an engine or in the delicate precision of a butterfly alighting on a finger.

While beauty remains elusive, we embrace the journey. Fastening the seatbelt, igniting the engine, we drive forward, aware that regardless of the path taken, beauty is all around us.

EXTERIOR STYLING

BOLD FRONT EVOLUTION

Discover the Formentor's transformed facade: a redesigned front bumper, boldly integrating the logo with redesigned fog lamps, crafting a statement of audacious style and improved aerodynamics.

ILLUMINATING ELEGANCE

The Formentor's rear captivates with an integrated, illuminated logo set within 3D infinite light, crafted with mesmerising LED technology for an iconic signature.

INTERIOR STYLING

A TECH SYMPHONY

The brand-new Formentor dashboard features a 12.9" infotainment screen with a backlit slider, merging a sizeable display, advanced operating system and atmospheric lighting for a captivating experience.

ELEGANCE AT THE HEART

The Formentor's central console redefines sophistication with a padded console, embroidered stitches, and parametric mouldings, blending futuristic aesthetics with sporty dynamism.

YOUR PRESTIGIOUS AURA

Formentor's ambient light system, with strategically placed LEDs, crafts a customizable, soothing glow, enhancing the dashboard, door panels, and interior for an immersive and inspiring experience.

INNOVATION

If the world perceives one reality and you discern another, you might be on the path to innovation. This distinction marks your essence. Having the tenacity to embrace change is for the best. This isn't a burden; it's your gift. You're not merely expressing a desire to be different; you're signaling to your future self that conformity has no hold on you. Rejecting the mundane, you commit to excellence.

Your right to pursue innovation is non-negotiable. Go ahead and claim it.

The CUPRA Formentor has been awarded. The maximum 5-star safety rating by euro ncap.

TECHNOLOGY

INTELLIGENT ILUMINATORY VISION

Travel with confidence under CUPRA Matrix LED vigilant gaze, which intelligently blanks out high beams to prevent dazzling others while enhancing road visibility. This ensures a brilliantly clear and welcoming path with every journey you embark upon in your CUPRA.

FAST-CHARGING CONNECTIVITY BOX

Experience up to 15W of rapid wireless charging power, all enhanced with innovative refrigeration technology to keep your device cool. It's not just about speed; it's about maintaining performance in style, ensuring your journeys are as efficient as your connectivity.

ALL-IN-ONE STEERING WHEEL

Command the Formentor with the CUPRA Steering Wheel with Satellites, blending relaxation with the thrill of choice between manual flair and automatic ease. Our satellite buttons allow you to access a full range of driving functions without lifting a hand from the wheel.

SENNHEISER AMBEO IMMERSIVE SOUND SYSTEM

Indulge in Sennheiser AMBEO immersive Sound System Speakers' full immersion, where 11 perfectly placed speakers and a 390W subwoofer immerse you in a sound so transportive it turns every drive into an emotionally charged, adrenaline-pumping journey. The sound signature is tailored to your CUPRA's shape, so you get a consistent listening experience no matter where you ride.

SAFETY

SIDE ASSIST & EXIT ASSIST

Revolutionize your lane changes and exits with Side Assist, providing vigilant blind-spot monitoring and timely warnings for rear-approaching vehicles.

PRE-CRASH

Step into a haven of safety where the Pre-Crash System preemptively tightens seatbelts and secures windows, ensuring your security is top priority.

UPGRADES

EDGE

The EDGE upgrade includes Keyless Advanced, Anti-theft Alarm, Virtual Pedal, Ambient wraparound lighting, and a Rear View Camera for greater convenience.

IMMERSIVE BY SENNHEISER™

Revel in the Immersive sound by Sennheiser™, with a rich network of 11 speakers, central sound, and deep bass from the subwoofer

SKYLINE

Skyline invites the heavens inside with its expansive Panorama Electric Sunroof, broadening your world view with the press of a single button, and connecting you to the surrounding landscape.

INTELLIGENT DRIVE*

You can safeguard your drive with advanced features like Adaptive Cruise Control and proactive assistance through CUPRA Intelligent Drive. This includes cutting-edge safety systems such as the Top View Camera and Intelligent Park Assist to facilitate parking. Additional integrated functions, like the Pre-Crash Front & Rear systems, prepare your vehicle for driver assistance in an instant — delivering a drive that's as secure as it is intelligent.

EXTREME

The EXTREME upgrade is the epitome of peak performance. Exclusive to this upgrade are CUP bucket seats, precisely accented with interior mouldings in dark chrome, and high-performance brakes. Advanced CUPRA Matrix LED lights illuminate your path, while a state-of-the-art Sennheiser AMBEO immersive Sound System encapsulates the driving experience. Additionally, the EXTREME option includes the Intelligent Drive upgrade. The EXTREME step-up is the ultimate choice for those who demand the exhilarating performance and a semiautonomous driving experience.

PURE PERFORMANCE

Pure Performance ignites with CUPRA Matrix LED headlights, featuring signature lighting and clever design for a vivid, emotional drive.

TRIBE EDITION

THE ICON, REDEFINED THROUGH DESIGN

This special edition is crafted for the CUPRA Tribe—bold, daring, and designed to challenge the ordinary. Keep pushing limits in unconventional Manganese Matt, with Sulfur hints and exterior Penumbra Black accents, Dark Chrome logos, and interior mouldings in Forged Grey—evoking the CUPRA DNA you know and love.

FORWARD THINKING DESIGN

The new Tribe Edition of the Formentor is purposefully crafted to enhance its performance design powered by seats made with 100% recycled material in the central area of the front and rear seats. Crafted with the 3D Knitting technology to create material in its three-dimensional form, which adds a more sustainable approach eliminating the need for cutting and sewing, resulting in zero material waste.

POWERFUL AND RESPECTFUL DESIGN

This iteration is designed with the planet in mind—Featuring alloy wheels crafted from 20% recycled alu and aluminium roof rails with a 40% content of recycled material, along with interior components made from 30% recycled plastics and using Sulfur Green paint by Mankiewicz – formulated with 15% bio-based paint– in the console trim area and inner frame diffusers. Because we are committed to our planet, combining aesthetics with performance.

LEISURE

Leisure in the world of CUPRA Formentor is not just a pastime; it's a lifestyle that transcends the ordinary, where experiences become adventures of a lifetime. This is a realm where passion is currency, and the enjoyment is the ultimate pursuit.

Take this journey seriously. Every second is an opportunity to engage with life more deeply and create unforgettable memories.

ENVIRONMENTAL INFORMATION

LIGHTS

Headlamps and rear lamps are 100% LED, increasing life service by up to 10 times. For headlamps, power consumption is significantly reduced at least 30%, and the luminous flux effectiveness is increased at least 30% in comparison to a halogen lamp.

RECYCLED MATERIALS

Seat bucket (no leather) configuration: In its central area contains microfiber Dinamica® with 73% of recycled polyester (pre-consumer and post-consumer origin).

Seat cupbucket configuration: In its central area contains microfiber Dinamica® with 73% of recycled polyester (pre-consumer and post-consumer origin).

Carpets contain a minimum of 40% recycled nylon ECONYL® yarn (nylon from discarded fishing nets and textile fibres from old carpets).

MANUFACTURING PROCESS

During the period from 2010 to 2024 we reduced the CO2 emissions per manufactured car by 74.8%, whilst also cutting the energy demand per car by 37.4%. Additionally, we've achieved a 54.8% saving in water consumption and a 78.1% reduction in waste generated per car.

TECHNICALS

Immerse yourself in the essence of precision engineering with the CUPRA Formentor technical specifications, where every technical detail testifies to our commitment to excellence. Savour the meticulous statistics that define our vehicles: fuel consumption that marries efficiency with power, and transmission systems designed for seamless engagement with the road.
